ABOUT CESE

Commercial Electricity Supply Establishment (CESE) is an industrial supply company specializing in industrial automation solutions, electrical components, instrumentation, pneumatics, valves and industrial spare parts.

We support industrial customers by sourcing and supplying components from established global manufacturers across automation and control applications.

Why Choose CESE?

Genuine Industrial Components

Supply of OEM components and industrial spare parts.

Fast RFQ Response

Average quotation turnaround of under 4 working hours.

Wide Product Portfolio

PLCs, HMIs, VFDs, sensors, valves, pneumatic systems, power supplies and related components.

Factory-Direct Sourcing

Competitive sourcing with manufacturer warranty assurance.

Global Brand Sourcing

Access to leading industrial brands including Siemens, ABB, Schneider Electric, SMC, Festo, Omron, Yaskawa and SICK.

Saudi Arabia & GCC Supply

Local headquarters in Riyadh with distribution logistics across Saudi Arabia and the GCC.

FOR A STRONGER
TOMORROW

01

PROGRAMMABLE LOGIC CONTROLLERS (PLC)

Micro, modular and compact industrial controllers
for machine and process automation.

02

HUMAN-MACHINE INTERFACES (HMI)

Touchscreen operator panels for industrial
monitoring and control.

03

MOTION CONTROL & SERVO SYSTEMS

Servo motors, servo drives and motion controllers
for precision motion applications.

04

INDUSTRIAL VISION SYSTEMS

Code readers, vision inspection systems and
laser marking solutions.

VARIABLE FREQUENCY DRIVES & INVERTERS

EFFICIENCY
CONTROL
HIGHER PRODUCTIVITY

Reliable drive solutions for energy efficiency, precise motor control and optimized performance across industrial applications.

- ✓ AC frequency inverters (0.18 kW to 500+ kW)
- ✓ Speed & torque control
- ✓ Variable-torque VFDs
- ✓ Safe Torque Off (STO)
- ✓ EMC filters
- ✓ Modbus
- ✓ Profibus
